

Charting the LifeCourse Using Applying Principles and Using Tools to Support a Good Life

Charting the LifeCourse was created to help individuals and families of all abilities and all ages develop a vision for a good life, think about what they need to know and do, identify how to find or develop supports, and discover what it takes to live the lives they want to live. This training series is for all professional stakeholders.

Participants in this training will:

Learn about the National Charting the LifeCourse Community of Practice.

Apply LifeCourse Principles and LifeCourse Framework.

Practice Using LifeCourse Tools.
