

Incident Management (IM) Trainings available on MyODP ODP Announcement 22-070

AUDIENCE:

All interested stakeholders

PURPOSE:

ODP and the Columbus Organization are pleased to announce the release of a new Incident Management (IM) trainings series on the MyODP website which focuses on incident prevention and reducing recurrence of incidents.

DISCUSSION:

The course is titled *Preventing Incidents* and is relevant for all stakeholders. This course contains a seven-part training that focuses on the general safety of individuals with an intellectual or developmental disability, using a person-centered approach to prevent future incidents, anticipating situations and recognizing potential signs of mistreatment, communicating what you know and elevating concerns, proactive vs reactive risk mitigation strategies, developing effective corrective actions, using data to improve overall quality, and Self-Care, taking care of yourself while supporting others.

The *Preventing Incidents* course includes the following series of webcasts:

- Part 1 Overview
- Part 2 Safety of Americans with Disabilities

Supporting Pennsylvanians with developmental disabilities and their families to achieve greater independence, choice, and opportunity in their lives.
