

APPENDIX F: CHOOSING AN ALTERNATE PROVIDER - TALKING POINTS FOR SC

Choosing an Alternate Provider

- Individuals have choice of willing and qualified waiver providers
- Provider is in Expiring status in HCSIS as of April 30, 20XX. They have until June 30, 20XX to become qualified; however, if not qualified by this date they will NOT be qualified to render services and will not be authorized in your Fiscal Year (FY) 20XX- 20XX ISP. This means the provider will not be able to get paid for any services they provide since they will not be authorized.
- In order to ensure there is no gap in services you are being given the choice to select another qualified provider. In the event your current provider does not become qualified by June 30, 20XX you will be without services effective July 1, 20XX if you do not choose an alternate provider.
- The following providers are qualified and offer the services that you are receiving from your current provider. Please review this list and alert me of your choice to move forward.
- If you would like to proceed with transitioning to an alternate provider, I will send referrals.
- There is no guarantee of acceptance with a new provider as they must be willing to provide services to you.
- You may want to identify more than one alternate provider to be sure you receive services on July 1, 20XX.
