

Save the Date! PATC: Implement

November 1st - November 3rd, 2022

The Pennsylvania Office of Developmental Programs invites you to save the date for the 15th Annual Pennsylvania Autism Training Conference (PATC), November 1st through November 3rd, 2022. This year's theme is PATC: Implement. How can providers take innovative practices and implement them into their daily roles in supporting autistic individuals and their families? Join the virtual conference this fall to learn from individuals with lived experience, researchers, providers, and more!
