

Teaching Individuals with Disabilities about Personal Finance

Free sessions open to anyone interested in learning more about teaching personal finance to people with disabilities

Pennsylvania Treasury, the Department of Banking and Securities, and the Pennsylvania Assistive Technology Foundation (PATF) are joining together to put on a two-part series entitled Teaching Individuals with Disabilities about Personal Finance.

Part 1 - Best Practices That Work – Expert Panel Shares Techniques

January 12, 2021 at 12:00pm

Part 2 - Shared Experiences: What Worked For Us – People Share Their Experiences

January 26, 2021 at 12:00pm

Follow the links above to register for each session. If you have any questions or need assistance with registering, please contact PATF at 888-744-1938 or communications@patf.us.
