

CUSTOMIZED EMPLOYMENT TRAINING

Customized Employment Job Development

Attendees will learn how to develop an employer-focused approach to negotiating customized job descriptions on behalf of individuals with disabilities. Participants seeking certification are expected to commit approximately 40 hours of fieldwork with/on-behalf of a learning partner under the guidance of Marc Gold & Associates (MG&A) over the course of 4 months. This is the pre-requisite training to complete certification through MG&A.

***Certification in Discovery** is a **pre-requisite** for seeking certification in Job Development.
