

Guidance: Staff Reporting for COVID-19 has been Discontinued

ODP Announcement 23-039

AUDIENCE:

- ODP Providers
- Administrative Entities (AEs)
- Support Coordination Organizations (SCOs)
- Stakeholders

PURPOSE:

To notify all providers that Staff reporting of COVID-19 has been discontinued. This communication will obsolete COVID ODPANN 20-099.

DISCUSSION:

With the ending of the Public Health Emergency on May 11, 2023, providers are no longer required to report staff occurrences of COVID-19. Individuals who test positive for COVID-19 should continue to be reported through EIM, as described in ODP Announcements 20-065 and 20-049 UPDATE. ODP is continuing to explore modifications to EIM in order to abbreviate reporting and reduce administrative burden.
