

## Medication Administration Platform Overview for Trainer Candidates & Primary Contacts

Wednesday, August 10, 2022

10:00 am – 11:00 am

This webinar will provide an overview of the new Medication Administration Platform **for Trainer Candidates and Primary Contacts** that launches on August 8<sup>th</sup>, 2022.

You will learn how to create an account, enroll into the Train-the-Trainer course, submit payment, view the lessons and exams, and register for the face-to-face session.

**\*Trainer facilitated Student Courses will be available on September 6th, 2022 and a separate training will be held for certified Trainers close to that date.**
