8/29/2022	1:00 PM - 2:00 PM	<u>Moving Forward: A Comprehensive Approach to Achieving Meaningful Participant Outcomes</u>	Supporting participants with complex needs is challenging. At times you may find yourself feeling stuck. How can you move past barriers when you are trying to identify effective strategies to address participant risk and needs? How can you utilize existing resources and individual data in a way that is useful? This training is a first in a series that will use role playing to explore how Supports Coordinators and provider staff can utilize trainings and resources during consult time with their supervisors or within team meetings to determine next steps in the planning process for individuals in our programs.	Provider and SC Staff
8/30/2022	12:00 PM - 1:00 PM	<u>Putting Resources Into Practice: Service Snapshots: Assessing Assistive Technology for the AAW and ACAP Providers</u>	This training is specific to the Adult Autism Waiver (AAW) and Adult Community Autism Program (ACAP) providers. Would you like to know more about how to access Assistive Technology? And learn more about the process within the programs? This training will walk through a new "Service Snapshot" resource that explains the service and answers common questions received by providers.	Adult Autism Waiver (AAW) and Adult Community Autism Program (ACAP) providers
