### **ODP Announcement 22-101**

#### **AUDIENCE:**

Medication Administration Trainers  
Medication Administration Primary Contacts  
All Interested Parties

#### **PURPOSE:**

To inform all interested parties that Trainers will be able to administer new classes and student registration on September 8, 2022. A webinar for Trainers will occur on September 8, 2022 from 2-3pm to provide an overview of student courses. We apologize for the delay from our original September 6<sup>th</sup> date. As a reminder, the new Medication Administration platform Train the Trainer course is currently available for Trainers and Primary Contacts.

#### **DISCUSSION:**

The ability for Trainers to be able to administer new classes and student registration has been delayed to September 8, 2022.

Certified trainers will be able to continue to teach the student course by utilizing links which will allow your students to view the new medication administration webcasts. You will then be able to administer the exams on paper. Email your requests to: [maexam@temple.edu](mailto:maexam@temple.edu). Beginning September 8, 2022, you will be able to administer the Student Course online.

A Medication Administration Student Course Overview for Trainers webinar will occur on September 8, 2022 from 2:00pm-3:00pm. Med Admin Trainers will learn how to create new student classes (including Practicum Observer classes), view grader reports of their students, and enter presentation and remediation grades. You may [register here for this webinar](#).

The new Medication Administration platform is now available at [medadmin.myodp.org](https://medadmin.myodp.org).

### **Medication Administration Overview for Trainer Candidates & Primary Contacts**

A webinar was held on Wednesday August 8<sup>th</sup> from 10:00 AM – 11:00 AM to provide an overview of the new Medication Administration Platform for Trainer Candidates and Primary Contacts. The webinar reviewed how to create an account, enroll into the Train-the-Trainer course, submit payment, view the lessons and exams, and register for the face-to-face session. You may access the recording of this webinar below:
