

## **Incident Management (IM) Training Available on MyODP: *Understanding, Recognizing, and Reporting Passive and Self-Neglect***

### **Announcement 23-053**

#### **AUDIENCE:**

Supports Coordination Organizations (SCOs) and other interested parties

#### **PURPOSE:**

The purpose of this communication is to inform all interested parties that a recorded webcast regarding incident management – *Understanding, Recognizing, and Reporting Passive and Self-Neglect* is now available on MyODP.

#### **DISCUSSION:**

The Office of Developmental Programs (ODP) and the Columbus Organization are pleased to announce the availability of *Understanding, Recognizing, and Reporting Passive and Self-Neglect*. As a reminder, in accordance with Incident Management Bulletin 00-21-02, SCOs are the only users who are able to report incidents of Passive Neglect and Self-Neglect into the Enterprise Incident Management (EIM) system.

There is no registration required to view the webcast. The course can be accessed by using this link <https://www.myodp.org/course/view.php?id=2189>.
