ODP Announcement 24-044

AUDIENCE:

- Intellectual Disability/Autism (ID/A) Provider Agencies of Residential Services
- Intellectual Disability/Autism (ID/A) Supports Coordination Organizations (SCOs)
- Administrative Entities (AEs)

PURPOSE:

The purpose of this communication is to outline criteria and provide instructions for requesting a SIS-A 2nd Edition reassessment for individuals who receive residential services and whose 2023 SIS-A assessment resulted in a Needs Group (NG) decrease of two or more levels.

DISCUSSION:

The SIS-A 2nd Edition was released by AAIDD in January 2023 and implemented by ODP on January 1, 2024 ([ODP Announcement 23-094](#)). Although both editions of the SIS-A accurately measure support needs, ODP will temporarily accept requests for reassessments using the 2nd edition for individuals who were enrolled in residential services and their 2023 SIS-A assessment resulted in an NG decrease of two or more levels.

For Individuals who fall in this category, Providers of Residential Services must request a reassessment using the instructions provided with this announcement; **PLEASE DO NOT ASK SUPPORTS COORINDATORS TO SUBMIT REQUESTS THROUGH THE KEPRO SAM SCHEDULING PORTAL.**

The deadline for submissions is 7/8/24. Requests will not be accepted after this date.
