

Now Available: Overview Webinar Recording of Performance Based Contracting Provider Preparedness ODP Announcement 24-048

AUDIENCE:

All interested stakeholders

PURPOSE:

To announce the availability of the recording of the General Overview Webinar for the Provider Preparedness Summits.

DISCUSSION:

The Office of Developmental Programs (ODP) will hold four Provider Preparedness Summits for Performance Based Contracting Information Overview and Performance Standard Webinar Sessions. This webinar series will provide details on all proposed performance standards for Performance-Based Contracting for residential services. Each session will cover:

- required reporting
- data sources
- data collection
- analysis for each performance standard

These sessions will each be unique in content and build upon one another. Providers are encouraged to attend all four sessions. The General Overview Session recording is a

prerequisite for the four live sessions in June, and all providers are strongly encouraged to watch the General Overview recording prior to attending the first session on June 3, 2024.
