

Performance Based Contracting Update

ODP Announcement 24-069

AUDIENCE:

All Interested Stakeholders

PURPOSE:

The purpose of this announcement is to provide an update to all stakeholders about the status of the Performance Based Contracting (PBC) 1915(b)4 Waiver and 1915(c) Waiver amendment submissions to the Centers for Medicare and Medicaid Services (CMS).

DISCUSSION:

[ODP Announcement 24-065](#) communicated waiver submissions to CMS and accompanying PBC documents would be available on July 19, 2024. ODP has changed this date to Friday, July 26, 2024.

Due to the delay in submitting the waivers, ODP has rescheduled the July 22nd webinar for residential providers to **Monday, July 29th from 9am-10am**. In this session ODP will review: revisions to the proposed waiver submissions and implementation plan; supporting documents; and instructions for tier determination and provider data submission.

Anyone previously registered does not need to re-register and can expect an email notification of the change. If you are unable to attend on July 29, ODP requests that you

unregister. This session will be recorded and posted on myODP at the following link:
