

# Performance-Based Contracting (PBC): Provider Data Now Available

## ODP Announcement 24-081 Reissue

### AUDIENCE:

Residential Providers

### PURPOSE:

The purpose of this communication is to provide agencies with PBC specific data and instructions on how to access available data in the EIM Dashboard.

### DISCUSSION:

In response to provider requests, ODP is publishing provider specific data for select PBC Performance Measures.

**Risk Management – Incident Reporting Fidelity** - Data for Risk Management performance measures have been published for performance measures RM-IM.01.1 and are available at the following link: [RM-IM.01.1 Performance Data](#).

Providers can access their own data via the EIM dashboard for performance measures RM-IM.01.2 through 01.4; instructions on how to access data can be found by clicking on the following link: [Incident Reporting Overview Dashboard Training Guide](#).

**Supporting Individuals with Complex Needs (Clinical)** - ODP will be publishing additional provider specific data for the Supporting Individuals with Complex Needs performance measures CN-C.02.2s and CN-C.02.2ce. These data will be made available on the [MyODP PBC Resource Page](#).

**PBC Frequently Asked Questions (FAQ)**

- The FAQ can be accessed here: [Performance-Based Contracting FAQs – MyODP](#).

**QUESTIONS:**

Providers should continue to send all other questions to [RA-PWODPPBC@pa.gov](mailto:RA-PWODPPBC@pa.gov).
