

Agency with Choice (AWC) Financial Management Service (FMS) Organization Listing

ODP Announcement 24-099

AUDIENCE:

- Individuals and families who are currently self-directing services or who are interested in self-directing services through the AWC FMS model
- Administrative Entities (AEs)
- Supports Coordination Organizations (SCOs)
- AWC FMS organizations

PURPOSE:

To provide a list of current AWC FMS organizations available to support participants and surrogates who have chosen to self-direct some or all of their Participant Directed Services (PDS) using the AWC FMS model under the Consolidated, Community Living, and Person/Family Directed Support (P/FDS) waivers.

DISCUSSION:

To ensure statewide access to AWC FMS services, the Office of Developmental Programs (ODP) requires each AE to have at least one qualified AWC FMS organization available. The table at the end of this document provides a complete list of AWC FMS organizations and the areas where they provide services across the state. If there are any updates or changes to the information in the table, the AWC or AE should notify the regional PDS lead.

NOTE:

These AWC FMS organizations should not be confused with the statewide Vendor Fiscal/Employer Agent (VF/EA) FMS organization. ODP currently contracts with Public Partnerships LLC (PPL) to provide FMS services to waiver participants who choose the VF/EA FMS model.

For more information, regarding the two FMS models (AWC and VF/EA), please visit the [Participant Directed Services/Financial Management Services](#) section on MyODP.
