

# Caregiver Support Group

**You care for your loved one(s), but who's caring for you?**

**We have a safe place, meeting *EACH MONTH*, for you to connect with other caregivers who understand the things you are dealing with and find the support you need as a caregiver.**

- In this support group, we talk about stress, self-care, family dynamics, and more.
- We want to care for you as you care for your loved one(s).
- The last twenty (20) minutes of the meeting will focus on relaxation techniques and your loved ones are welcomed to join us at that time.
