Multi-Year Program Growth Strategy Training for Administrative Entities (AEs) Now Available on MyODP

ODP Announcement 25-066

AUDIENCE:

Administrative Entities (AEs)

PURPOSE:

To inform AEs that the Multi-Year Program Growth Strategy Training is now available on MyODP.

DISCUSSION:

In February 2024, the Shapiro Administration announced a multi-year strategy to effectively end the emergency PUNS waiting list by expanding access to waiver services for adults with Intellectual Disability and Autism (ID/A). Implementation of the Multi-Year Program Growth Strategy shifts AEs from managing by waiver slots to managing by waiver capacity and budget. This training outlines the Multi-Year Program Growth Strategy and AEs' responsibilities to implement it in partnership with the Office of Developmental Programs (ODP). You can access the training by clicking on **Multi-Year Program Growth**.
