

Updates on Implementation of Rates for Supports Coordination and Targeted Support Management ODP Announcement 26-062

AUDIENCE:

Administrative Entities (AEs)

Supports Coordination Organizations (SCOs) that render Supports Coordination services through the Consolidated, Community Living, and Person/Family Directed Support Waivers and Targeted Support Management (TSM).

PURPOSE:

To inform SCOs and AEs of the publication of the delay in implementing new fee schedule rates in the *Pennsylvania Bulletin*, approval of the TSM State Plan Amendment, and plans to update bulletins impacted by these changes.

DISCUSSION:

With implementation of Performance-Based Contracting for SCOs, the Office of Developmental Programs (ODP) is making changes to the Supports Coordination and TSM rate structure. On April 24, 2026, ODP published [Announcement 26-046](#) informing SCOs of a 6-month delay in implementation of new fee schedule rates for Supports Coordination funded through the Consolidated, Community Living, and Person/Family Directed Support Waivers and TSM. A notice containing information about this delay has been published in the [Pennsylvania Bulletin](#) on June 13, 2026 (Volume 56, Number 24).

The TSM State Plan Amendment was also updated to include changes needed to implement Performance-Based Contracting. The Centers for Medicare and Medicaid

Services (CMS) approved this State Plan Amendment on April 8, 2026, with a retroactive effective date of January 1, 2026. The approved State Plan Amendment is available at

[Medicaid State Plan | Department of Human Services | Commonwealth of](#)

[Pennsylvania](#). TSM service requirements are in the document titled “0013 Attachment 3.1A-3.1B” starting on page 119. Information about rates are in the document titled “0025 Attachment 4.19B” starting on page 34. Note that the rates in the waivers and State Plan Amendment are effective July 1, 2026 and will be implemented on January 1, 2027.

Additionally, ODP is working on the following related to implementation of Performance Based Contracting for SCOs:

- TSM Service Bulletin. Publication is anticipated this fall.
- Technical Guidance for Claim and Service Documentation. Publication is anticipated this fall.
- Individual Support Plan Manual. Publication is anticipated in August.

ODP will provide additional details related to training materials and opportunities in the coming weeks.

QUESTIONS:

Please contact your respective ODP Regional Supports Coordination Lead with any questions regarding this announcement.
