

**Work Incentives Planning and Assistance (WIPA)
Pennsylvania Contact List
October 2021**

A WIPA program is designed to enable beneficiaries with disabilities to receive accurate information and use that information to make a successful transition to work.

Each WIPA program has Community Work Incentives Coordinators (CWIC) who will:

- provide in-depth counseling about benefits and the effect of work on those benefits;
- conduct outreach efforts to beneficiaries of SSI and SSDI (and their families) who are potentially eligible to participate in federal or state Work Incentives programs; and
- work in cooperation with federal, state and private agencies and nonprofit organizations that serve SSI and SSDI beneficiaries with disabilities.
