RE: Notice of Supports Coordination Performance-
Based Contracting Final Determination

Dear Lonna,

On December 10th, Crawford County Human Services was notified of the Department of Human Services, Office of Developmental Programs (ODP) determination from the evaluation of the established performance measures for Performance-Based Contracting (PBC).

As a reminder, the following unmet performance measures(s) and ODP's determination about the measure(s) are shown below.

Measure	Measure Description	Reason(s) Measure was Unmet
SC-ADM.01.2	Submission of current financial statements (audited, if available).	<ul style="list-style-type: none">• Response did not include an audited financial document with the specified dates in the measure.
SC-QDI.01.1	86% of demographic information is complete and accurate, including living situation and individual and primary contact email address.	<ul style="list-style-type: none">• Fewer than 86% of demographic fields that the SCO is responsible for in HCSIS were accurate and complete.
SC-RN.01	Register in PA Navigate Resource Platform as Community-Based Organization (CBO).	<ul style="list-style-type: none">• Response did not include a valid URL for the SCO that matches an existing PA Navigate profile.

Although not all measures were met, the SCO remains eligible for the provisioning of supports coordination services through the Consolidated, Person Family Directed Support (P/FDS), Community Living 1915(c) Waivers, and Pennsylvania State Plan for contract cycle January 1, 2026 – June 30, 2027.

Please create and implement Quality Management Plan(s) in order to meet the above performance standard(s) in advance of the next PBC submission period. ODP will be auditing SCOs with unmet measures to ensure plans are in place and have been implemented. Quality Management Templates, Tools, and Spotlights are available at

[Quality Management Planning and Implementation Documents – MyODP](#). Continued failure to meet these measures will impact your status for PBC in subsequent contract years.

Additionally, ODP has conducted a review of the validation process for the QDI.01.6 Restrictive Procedures measure and has determined that for the contract period January 1, 2026 – June 30, 2027, QDI.01.6 will not be considered as part of the PBC evaluation for any SCO. However, ODP recommends process improvement regarding the documentation and tracking associated with this measure. Accurate data related to restrictive plans is critical for the health, safety and protection of individual rights of people you serve.

If you have any questions regarding this notice, or any other questions regarding Performance-Based Contracting, please contact RA-PWODPPBC@pa.gov.

Sincerely,

Kristin Ahrens
Deputy Secretary
Office of Developmental Programs
