RE: Notice of Supports Coordination Performance-
Based Contracting Final Determination

Dear Candice,

On December 10th, Your Choice Supports Coordination LLC was notified of the Department of Human Services, Office of Developmental Programs (ODP) determination from the evaluation of the established performance measures for Performance-Based Contracting (PBC).

On December 17th, ODP received notice that Your Choice Supports Coordination LLC initiated the *PBC Resolution Process* and submitted material(s) demonstrating why your agency did not agree with the determination.

ODP has conducted a review of the validation process for the QDI.01.6 Restrictive Procedures measure and has determined that for the contract period January 1, 2026 – June 30, 2027, QDI.01.6 will not be considered as part of the PBC evaluation for any SCO. However, ODP recommends process improvement regarding the documentation and tracking associated with this measure. Accurate data related to restrictive plans is critical for the health, safety, and protection of individual rights of people you serve.

ODP's updated determination for Your Choice Supports Coordination LLC identifies no unmet performance areas. The SCO is eligible for the provisioning of supports coordination services through the Consolidated, Person Family Directed Support (P/FDS), Community Living 1915(c) Waivers, and Pennsylvania State Plan for contract cycle January 1, 2026 - June 30, 2027.

If you have any questions regarding this notice, or any other questions regarding Performance Based Contracting, please contact RA-PWODPPBC@pa.gov.

Sincerely,

Kristin Ahrens
Deputy Secretary
Office of Developmental Programs
